Term 2 Week 4, 23 May 2018

Dear Parents, Carers and Community Members,

Winterfold is continuing to hum along busily. NAPLAN testing has now concluded and teachers are busy assessing student achievement in preparation for reports and future planning. Throughout this term all of our classroom teachers are attending two days of professional learning on the 'Talk 4 Writing' program held at the Dyslexia SPELD Foundation. This writing process takes children on a journey from imitation to innovation to independent application for each of the key story types and will be implemented throughout the school. Early results are very positive and students are really enjoying learning and performing their texts. If you would like more information, please talk to your child's teacher.

Thursday, 10 May, saw our fathers prepare a magnificent feast for our Mother's Day Breakfast. As usual, Winterfold's wonderful community spirit shone through and the event was very well attended. A reminder as winter sets in for you to ensure that all of your children's jumpers and jackets are clearly labelled. If your child is not well, please do not send them to school to avoid infecting others.

Cheers

Waterwise tips.....

Fix leaking taps and toilets
Fixing a leaking tap or toilet is usually simple and a licensed Waterwise Plumber can do the job. These leaks can waste up to 10,000 litres of water a year.

Turn off the tap when brushing your teeth
Turn off the tap when brushing your teeth and reduce wasted water. A running tap can use up to 10 litres per minute.

Sonshine FM Free Coffee Friday

On Friday, 15 June, Winterfold Primary will host Sonshine FM's Free Coffee Friday. Sonshine FM is a not-for-profit radio station that broadcast live from schools around Perth on a fortnightly basis. This is an opportunity to showcase our fantastic school, and listen to live interviews from staff and students. We would like to invite the school community to come along from 7:30am for a free coffee and to be part of Sonshine FM's Brekky show!

Proudly brought to you by
Sonshine FM and WPS
Chaplains, Chris Field and
Janina Cousins.

Call out for the Canteen:

The canteen is looking for additional volunteers for this week - especially for Friday, if you can help Kym out, please stop by the canteen and let her know! The canteen is a very busy place these days and even a few hours of volunteering makes a huge difference to ensuring that recesses and lunches are delivered fresh and ready to our hungry students!

A big Thanks for all the teachers, staff, dads, partners and kids that helped out with this year's Mother's Day Breakfast. And also a huge thank you to the mums who took part in the morning festivities!

A Mothers Day Breakfast mention from the "Dads"

It can be a balancing act to get time outside of the day to day activities to put on an event, and I have to say I was really amazed at the level of participation. The Winterfold crew's help made the event pretty smooth sailing!

As I am sure many people feel, we are a pretty lucky bunch all round to have this community at Winterfold and it is a constant surprise to me how generous people are with their time and effort!!!

Special thanks to Carlie Hindle and Freedom Photography for their kind donations to the Mother's Day Raffle. As I didn't see the Freedom Photography donation until after the event, we will be holding a special raffle for this prize shortly.

Thanks to all
Andrew Kindon

Monday was our "quiet day" but I think people are realising how much easier ordering from the canteen can make the start of the week, as orders are steadily increasing. We are desperately looking for volunteers for Friday's, even an hour or so of your time would be a great help. Contact Pip or Kym or come on down and see us Monday, Wednesday or Friday.
