### *From the Admin Team*

Dear Parents, Carers and Community Members,

Welcome to Week 8. This term is passing by so quickly! I would like to mention how impressed we have been with the focus of our Year 3 and 5 students who have been undertaking NAPLAN. A special mention to Leanne Hill and Tiffany Moloney; their attention to detail in ensuring the school was ready and organised has enabled the testing to run smoothly.

Our Year 6 students are currently on camp and no doubt they are all having a wonderful time. Hopefully we will have some stories and photos to share in the next newsletter. A big thank you to all staff in attendance; these activities just wouldn't be possible without their willingness to give up their time.

Our wonderful P&C is in the midst of preparing the Easter raffle, made possible by the donations from our fantastic community. Keep an eye out in the following pages for more information.

It has been great to see so many meetings happening with parents and teachers. Just a reminder that you do not need to wait until the School Development Day (Friday, 31 March). However, should you be meeting on the SDD, please organise this directly with your child's teacher, we are not using the Try-Booking system this year.

It has been great to have assemblies back in the school routine after the completion of all of the swimming activities. This week's assembly will be presented by Room 10.

Julie Radford  
Principal

**Wanted: are you a GREAT Sort?** Passionate about sustainability and have a little time on your hands. We Need YOU!

We are looking for parents who are interested in becoming members of the Winterfold Sustainability Committee. New and Old members are welcome. If you are interested please leave your details at the office and we will contact you.

### *Term 1 Week 8, 22 March 2023*

### Uniform Shop News

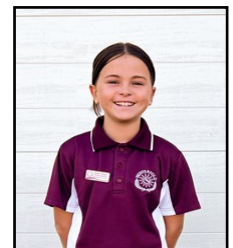

The Uniform Shop is open Thursdays 8.00 - 8.45am or order online via [quickcliq.com.au](http://quickcliq.com.au)

### International Pi Day

Tuesday, 14 March, was International Pi Day. To celebrate this day our wonderful Numeracy Minister Harper Tougas and her family cooked 120 Pi cookies to share with the Year 5 and 6 students. She delivered an informative speech to the students before handing out her delicious cookies, some of the key messages were as follows:

1. *Pi is a mathematic constant, divide any circle's circumference by its diameter the answer will always be 3.14 a number represented with the Greek letter Pi. The exact value of Pi is not known as mathematicians could not find a recognisable pattern in the infinite digits of Pi.*
2. *It is celebrated on March 14 as its the third month, 14 th day = 3.14.*

On behalf of the senior students and teachers thank you for your interesting speech and delicious cookies.

Proud to be a

Maar Banga Meka-k  
Five a Fortnight  
**Learning Noongar can help  
us feel more closely  
connected to country...**

We will be sharing five Noongar words in the newsletter each fortnight this year. The senior Aboriginal students will lead us through the pronunciation of these at each assembly. Your children can then share them with you at home so we can use them within our school community.

These words will help you make more sense of our Acknowledgement of Country:

- koora koora = before / long ago
- yeyi = today / now
- boordakan = future
- Birdiya = Elder / Elders
- yengkalang = surround

Kaya. Ngalak djoorabiny noonook djinanginy nidja.  
Ngalak dandjoo-koort nidja kwobidak kaadadjiny-miya-p  
Beeliar Wadjak Noongar boodja-k.  
Ngalak kaadadjiny Noongar Birdiya wer moort  
koora koora, yeyi wer boordakan.  
Winterfold Kaadadjiny-Miya-p baal yengkalang

wer moorditj moort.

*Acknowledgement of Country*

Hello. We are happy to see you here.  
We come together at this beautiful school  
on Beeliar Wadjak Noongar country.  
We acknowledge Noongar Elders and families  
from long ago, today and into the future.  
Winterfold Primary School is surrounded by  
beautiful trees and birds  
and is supported by a strong community.

**Your Move News**

The Your Move Team have completed the hands up survey for the beginning of the year and the results were not as good as we hoped for with 66% of students coming to school by car. With such beautiful weather we would expect more students choosing fume friendly travel to school. Fume friendly travel includes public transport and park and ride. Did you know that over half of our school children live within 1km of school and still come by car? Why not consider fume friendly travel to school? It's better for the environment, helps keep you fit and active, gets your brain ready for the day and reduces the traffic around the school making it a safer environment.

Dear Winterfold Community,

Thank you so much for supporting our **Pink** and **Blue** Day. It is incredible to think that we have been hosting this day for the last 7 years! All the money collected, as always, will go towards raising vital funds for the Harry Perkins Institute of Medical Research, helping discover new treatments and end cancer for good.

It was amazing to see how excited the kids were to participate in the **pink** and **blue** wave that coloured our school.

We raised \$650, which is incredible. I managed to get part of it matched up by the walk sponsors, so Winterfold contributed a total of \$850, which is an unbelievable effort!

Again, thank you so, so much to all of you. So proud to be part of Winterfold. I will be taking you all on my walk on Saturday, 29 April.

Ms Bell  
Winterfold Librarian

## Specialist Programs Tour Afternoon

Monday 1 May 2023

3:45 - 5:30pm

Are you looking for a secondary school that offers a wide range of programs, state-of-the-art facilities and a safe and inclusive learning environment? Learn what Fremantle College can offer your child at our Specialist Programs Tour Afternoon.
