Dear Parents,

I am writing to you regarding **School Fees and Charges for 2026**.

The financial support of parents is vital to Winterfold PS and contributes significantly to providing a wider range of educational opportunities than otherwise possible. We use contributed funds to purchase resources which enhance teaching, learning opportunities and enhance the learning environment at our school. The Winterfold PS Board has endorsed the attached Schedule of Contributions and Charges as required by the School Education Act (1999) and the School Education Regulations (2000). This package is designed to provide you with information about the possible costs associated with schooling at Winterfold PS during 2026.

The Schedule of Contributions and charges for 2026 is made up of the following items.

1. **Voluntary Contributions**

Whilst termed voluntary, these parent contributions are a **vital** part of our school funding. Every voluntary contribution received from parents goes directly to the education of the students at Winterfold Primary School. The voluntary contribution is set at \$60 for each child and has remained at this value for many years. These contributions provide an important source of funds that allow us to provide additional resources towards high quality teaching and learning.

We thank you in advance for making such a valuable contribution to your child's education.

2. **Charges**

The schedule of charges represents the maximum charges possible during 2026. In general, these charges are not required as a lump sum. Most items will be charged individually as the activity occurs, such as excursions and incursions. Excursions and incursions are an important part of each child's education and we encourage participation wherever possible. Interschool Sport, PEAC, Choir and Instrumental Music are only charges for those students participating in these activities.

3. **P&C Voluntary Contribution**

The P&C requests a contribution of \$20 per child. The P&C generously supports Winterfold Primary School by providing enriching activities for our community and generously providing funds for special projects such as playground equipment and resources.

If you have any queries or need further information, please contact the school office on 6274 1900 or by email Winterfold.ps@education.wa.edu.au

Thank you for your ongoing financial support of Winterfold Primary School.

Yours sincerely,

Kim Calabrese
Principal
